Poetry Café

Every year to wrap up our poetry unit, we celebrate with the Poetry Café event- an afternoon showcasing the students' poetry.

In the past, the event has been hosted by The Beanery here on campus, but we are starting to outgrow that venue. Thanks to help from POMS we are searching out a bigger space for this year's Poetry Café. More information will be sent out once we have the date & venue secured. We are looking at the end of February.

Also, students have expressed interest in publishing their work through the website Blurb.com We may end up publishing a compilation of student work and making it available to order for our families.

More information to come.
